IMPORTANT NOTICE In the interest of quality over quantity it has been proposed that IRC adopt a "once a month" meeting schedule, starting in Sept82. A vote will be taken at the June 25th meeting. Come and vote but if you can't make it vote anyway by mail (or send comment) to Secty. Wade Hingery, W9JGZ, 4845 Kesslerview Dr. 46220. Makk envelope "IRC" Votes and comments will be opened at the meeting. A preliminary indication supported "ONCE A MONTH" but some members recall "once a week" with fondness. Voting on June 25th.

DON MILLER W9NTP did a fine job as Central Division ARRL Director 1976-1980 and many of his friends would like to see him on the ARRL board starting Jan 1, 1983. A nominatingpetition will be available at the Indianapolis hamfest July 11th. to get things started. Spread the word, especially with your friends and contacts in all three 9th call areas (Ind, Ill, Wisc) states. A campaign group is now forming. Contributions can be accepted for printing, postage, etc. Send to Ron Williams, W9JVF, 1147 N. Emerson Ave, Indpls, Ind, 46219. Checks payable to "Miller Campaign"

NEW REPEATER An excellent repeater came on the air early in May. (145.25 (-) from Fairland, Ind. 18 miles SE of the Circle. Antenna in the 500 ft. level on the WENS/FM tower. Bob Hawkins WA8VZY is the owner/ operator with 80 watts and the height it covers an excellent range. Bob mentioned a 400 watt amplifier on the drawing board which will make it even better. This is an open operation and all are invited to use it. DAMON DUREE, W9PEV chairman of IRCC reports the Gov Orr has signed a proclamation designating Oct. 10-16 as Amateur Radio week. The week ends with the annual Simulated Emergency Test on October 16/17.
